

COFFEE CLASSES!

IRONICALLY, NO ALL NIGHTERS

Hello folks,

This ain't rocket science, man
but it can seem like it sometimes.

No worries, people. We totally got
you. We have classes on everything
from the basics to pro-level coffee
brewing.

FROM:

MILK STEAMING & LATTE ART For newbies who need to
know how to Mona Lisa their latte. Learn more [here](#).

TO:

MACHINE MAINTENANCE

What's Under the Hood: Demystifying Coffee Machines
Not like those sweaty Sunday evenings under the car
hood. Sign up for our Machine Maintenance class [here](#).
Air conditioning included.

And we're always here if you need any help.
